Staffing Needs

Have you ever considered being involved in camp ministry? We have an opportunity for you!

Kitchen Manager

We are in need of a full-time kitchen manager here at PRBC. Would you please consider joining the camp for an internship (3 - 12 months) or full-time. This is a much-needed position to be filled.

Farewell Michael

Michael Elias

Directors Assistant

Another available position we would like to let you know about is the Director's Assistant role in which Michael held for the last year and a bit here at PRBC. We will miss having him here at camp, but we wish him all the best in his new stage of life. If you are interested in either of these positions, please feel free to reach out to Bruce to discuss this opportunity in more detail. Bruce can be reached at 306-288-2136

A Message from Michael

I am reminded how God sends different seasons into one's life, all in His perfect timing. For myself (Michael) it has been a privilege to serve under NCEM for the last two years, as an intern and then as a short-term missionary. I believe, if you want to see God grow you in your life, you must be open to new ideas and opportunities. Throughout the last two years, I can say this was true for myself. When I joined in 2024, as an intern and later into a full-time staff roll, I wasn't sure how I was going to make it in the North, but through God's faithfulness and the prayers of many it became a reality. I had the chance to see and do new things, because I stepped out of my comfort zone and pursued telling others about Christ even when it was hard. What a special opportunity we have, even

in the off season to share about Jesus as we go out into the communities, and as we gather the youth back to camp every week for a time together. These are just some of my favorite memories while being at Pine Ridge Bible Camp. Looking forward, I plan to move back to MB, where I will then start working for Winkler Overhead Doors. I'll always have a special place in my heart for PRBC. If you are willing to take the next step of faith, and trust GOD, then I urge you to consider an internship with NCEM and Pine Ridge Bible Camp. Even if it's only for three months or full time, because in the end, the goal is to bring the GOSPEL to many.
- Michael (Short Term Missionary at PRBC)

UPCOMING PROJECTS

We are progressing nicely with the building of the new Moose cabin at PRBC. We currently are hoping to have this cabin complete by summer and with your donations that have come in, we are extremely thankful that this can be achieved. Currently the windows and doors are all in, along with the house wrap. All that is left to do is the siding on the

outside, the electrical for the inside, insulation and pine boards for the walls. We hope to heat the cabin with a small wood stove. This will allow us to use the cabin year-round for different winter activities. We appreciate the many people who have come to help build this cabin, and we are so thankful for the support as well. We couldn't do it without you.

Weekend Retreats

Some of the other things we like to do here at the camp is to have fun weekend retreats. Our first one happened February 6-8 which brought out our local youth from the area for a weekend together of skating, bonfires, sledding and many other activities. Steve, our guest speaker for the weekend, also had the opportunity to share God's word with them. What a privilege it is to have them at the camp.

The next retreat that happened at the camp was the ladies' retreat. 14 Ladies from the surrounding area came out for a weekend of water painting, card making, diamond dot and even candle making. Cindy was here as our guest speaker for the weekend to encourage the ladies as she spoke on the topic of The Love of God. What a great way to reach the ladies in the community.
