Pine Ridge Bible Camp is a non-profit children/teens summer camp located in Northern Saskatchewan. For more info about the camp check out www.pineridgebiblecamp.ca

We are building a new dining hall / chapel facility. Our current dining hall facility does not meet public health standards and we are outgrowing it's capacity. The new building is nearing completion and we are aiming to have the upper level (dining hall/kitchen) completed for use this summer. This bikeathon is a fundraiser for the new building.
